OCTOBER 11 - 14, 2012

6000 ACRES DEDICATED TO EQUESTRIAN USE ARE WAITING FOR YOU!

Fair Hill is Maryland's best trail riding across open fields, wooded trails along the river, thru a covered bridge. This was once the Dupont Family's hunting and breeding preserve. Bridges and tunnels take you safely over and under surrounding roads. We are there the weekend before the Internationals, so you can ride through the cross-country course as it is being built -- watch them install the giant geese in the water jump and erect the jump through the barn. for more info on this NRMA check out
